Today I have been...  
**Working well on my own.**

---

Today I have been...  
**Concentrating on my work.**

---

Today I have been...  
**Helping my friends when  
they were stuck.**

---

Today I have been...  
**Checking my own work.**

---

Today I have been...  
**Listening to how I can make  
my work even better!**

---

Today I have been...  
**Learning from my mistakes!**

---

Today I have been...

**Asking lots of questions!**

---

Today I have been...

**Explaining what I think.**

---

Today I have been...

**Planning what I want to do.**

---

Today I have been...

**Taking on a challenge!**

---

Today I have been...

**Getting stuck, then getting unstuck!**

---

Today I have been...

**Trying when something is hard.**
